Do you know a **STAR**?

Do you know Someone who Tops Achievement Regularly?

Gateway Community Health is accepting nominations for our 5th annual recognition banquet. This year we will be recognizing two groups of award recipients. The first group of awards goes to **STAR EXCELLENCE**—people who continuously go above and beyond. The second group of awards goes to people who have made continuous progress in their commitment to the recovery process.

- **Advocate of the Year:** This award is given to an individual who advocates not only for themselves, but also for others, as evident by attending advocacy meetings, serving on boards, or joining lobbying groups.
- **Personal Achievement in Recovery:** This award is given to an individual who has accomplished a stated goal in recovery, which includes: employment, completed a GED or training, or moved into an independent living situation.
- **Achievement in Peer Support:** This award is given to an individual who works with peers to help eliminate the stigma of mental illness, helps others learn how to manage disorders, and helps facilitate the recovery process.

Please complete the form on the reverse side to nominate your STAR and submit to Gateway by April 30, 2010. You may submit your nominations by fax to: 313-263-2411 or by mail to Mary Ann Bozenski at the address below:
