

Mission Statement

GATEWAY COMMUNITY HEALTH will ensure access to a contracted network that provides comprehensive, culturally competent mental health and substance abuse services for children, adults, seniors, and their families. These services will support recovery, independence, collaboration and empowerment within the home and community.

Vision

As an innovative mental health leader, Gateway Community Health will provide access to the highest quality and assessable services in an efficient, consumer-focused manner. Meaningful opportunities will be available for consumers to have an Input into their recovery, the network and its providers' operations.

Values

The corporate values governing GCHI's development include the following:

- Highly skilled, competent staff, utilizing evidence-based practices (EBP)
- Recovery focus promoting hope, healing, empowerment and decreasing stigma of mental illness
- Consumer driven environment which includes their involvement in planning and evaluation of their services
- Quality driven process throughout the organization
- Respect for all communities, cultures, ethnic populations
- A person's right to self-determination and choice
- Acting with honesty and integrity, the essential ingredients of trust
- Access to mental health and substance abuse services in a safe, healthy and caring environment
- Gateway Community Health operates in accordance with the highest standards in all relationships with consumers, funders, regulatory bodies, allied agencies/programs, and the community.

Referral Process

The Referral Process for requesting acute inpatient hospitalizations, home-based services, intensive home-based services, and respite services:

1. Contact Gateway's Call Center at 313-262-5050 or 800-973-4283.
2. You will speak with a clinician who will gather specific clinical information regarding the consumer.
3. After the clinician and supervisor have reviewed the clinical information, you will receive a call back from the clinician informing you of the disposition of your request.

If you have questions regarding services for children, please contact
Nancy Agrusa,
Clinical Director
